

## WASH BAY ATTENDANT

Salary  
**\$30,000-\$40,000+**

### REQUIREMENTS :

No formal education is required.

Ability to wear all standard PPE (safety boots, CSA approved hard hat, safety vest, etc.)

Class 1F or 3F License preferred.

### JOB OVERVIEW

As a washbay attendant, your main duty is to ensure the cleanliness and good appearance of trucks and trailers. You will work in a vehicle wash setting, wearing water-resistant clothing. The job involves physical tasks such as standing for long periods, bending, reaching, lifting, and operating cleaning equipment. Ear protection is mandatory as cleaning equipment, such as pressure washers and vacuums, can generate noise and vibration.

### RESPONSIBILITIES

- Perform visual inspections of all vehicles and assess the condition of each vehicle before sending it through the wash bay.
- Accountable for washing, detailing and maintaining.
- Maintain a safe working environment at all times.
- Be accessible and polite to truck drivers, addressing any concerns professionally to ensure a positive experience.
- Report any incidents encountered.
- Follow all policies and procedures set forth by ABC company.
- Perform other tasks as assigned.

### QUALIFICATIONS:

- Attention to detail.
- Ability to work independently.
- Follows instructions well.
- Ability to lift or maneuver 20-50 lbs.
